Logging into your User Account

STEP ONE

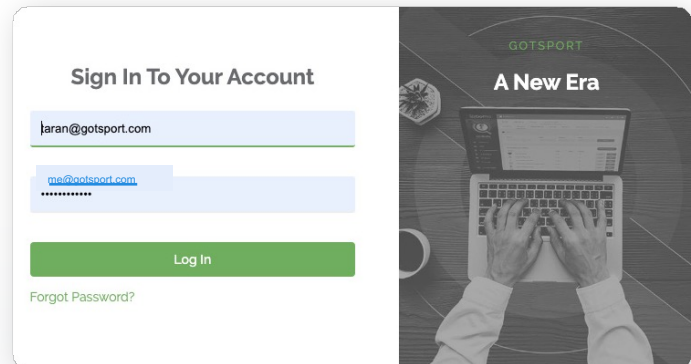

Login to GotSport

Go to system.gotsport.com and click "Log In" in the upper-right hand side.

STEP TWO

Enter your account email and password, and then click "Log In."

Note: If this is your first time logging in or you cannot remember your password, click on "**Forgot Password**", you can then enter your email to have your login credentials sent to you.

The screenshot shows the 'Sign In To Your Account' page. It features two input fields: the first for email (containing 'jaraan@gotsport.com') and the second for password (containing 'ms@gotsport.com' and masked with dots). Below the fields is a green 'Log In' button. A link for 'Forgot Password?' is located at the bottom left of the form. To the right of the form is a dark sidebar with the 'GOTSPORT' logo and the text 'A New Era' above an image of hands typing on a laptop.

STEP THREE

If your email is not recognized by the system, please reach out to your state administrators for assistance.

Creating A Birth Certificate Document Repository

A document repository acts as a folder, which stores all of the signed forms for this type of document. You are able to include this into your registration process which will be a one-time upload for all players. Once a player has submitted their birth certificate, they will not be asked again.

STEP 1

In the Dashboard menu, click the **"Forms"** dropdown and select **"Forms"**.

STEP 2

Click **"New"** to create a form.
(continued on next page)

STEP 3

Build out your form. Make sure to make the form **"TYPE"** is a **"Document Repository"**. Scroll to the bottom and click **"Save"**.

NOTE: If you are using GotSport for registering players, you can make this form "required" and it will automatically be included within all of your programs. Once a player completes the form once, they will not be asked to complete the form again during future program registrations with your club.

STEP 4

Click **"Registration Form"** at the top of your screen
(continued on next page)

STEP 5

Click **"New Form Element"** to add questions to your form.

STEP 6

Repeat as necessary.

Merge User Accounts

If you have duplicate users, you have the ability to merge them. *If you are a coach/manager or parent/player please ask your club admin to merge profiles.*

To merge, both profiles must have these requirements for GotSport to qualify as a duplicate user:

- A role with your organization
- Same First Name, Last Name
- Same Gender
- Same D.O.B

If the system does not recognize the profile as a duplicate, here are some things to check:

- The search is **CASE SENSITIVE**, so make sure the first and last names **EXACTLY** match upper and lower case - e.g., **matt** and **Matt** will not result in a match, but **Matt** and **Matt** will result in a match.
- Make sure name does not have extra spaces before and after the name.
- One profile has a nickname over another with a legal name. E.g., **Jen** vs **Jennifer**

Before you merge accounts please read:

Make sure to choose the primary account carefully, Verification and Requirements do not carry over from the secondary account. If you have any of these, you will want to strongly consider having that be the primary account for the merge.

STEP 1

Click the "**Club Management**" tab on your left, followed by "**Dashboard**" directly below.

(continued on next page)

***Note:** Emails and affiliations must be identical in both user accounts for the system to recognize a merged user
