Before you register...we can answer your questions!

1. When my son/daughter registers, can we request roommates?

Yes, there's a place to type in names who you want to bunk with and we will do our best to accommodate your requests.

2. How many coaches/counselors are there?

We have a 12:1 staff to player ratio so that supervision can be constant. In addition to the Penn United Soccer Camps staff, Camp Krislund will have specialist staff to help with non-soccer activities.

3. Are boys and girls separated?

Yes. In the Fellowship Lodge (players 11-14 only) there are 4 rooms of 10 beds. Each room has a lock. Boys will be separate from the girls. The Summer Housing cabin options (players 9-14) are the same. Boys are separate from the girls.

4. Are the players supervised at night?

Yes. Players are not by themselves at night. Male counselors are with the boys and female counselors are with girls.

5. What's the bathroom situation at the camp?

Bathrooms are en-suite in the Fellowship Lodge. The renovated bath house is used for players staying in the Summer Housing. Porta-Potties are also available adjacent to Summer Housing cabins which can be used at night. The bath house is divided into two-with boys and girls separated.

6. Why is the Fellowship Lodge a higher fee?

We pay a fee to Krislund per player to stay on the camp. The Fellowship Lodge offers less rustic accommodations and is newly renovated. Krislund's cost for us renting the lodge is higher.

7. What time do we arrive on Thursday 5th July?

2:30pm -3:15pm is check in time. Parents can settle players into their accommodation and we can handle the rest. We'll have a camp meeting for campers at 3:45pm followed by our first session at 4pm. Our first meal will be dinner at 5:30pm.

8. What do we need to pack/bring?

This will be sent to campers approximately one week before camp starts.

9. Is there a way to contact my child while camp is going on?

Yes. There is a main phone number for camp for parents to call, or you can e-mail us at:

pennunitedcamps@gmail.com

There is cell phone coverage. Campers can keep phones charged in the Fellowship Lodge (no outlets in summer housing option).

10. Can parents visit while camp is going on?

Yes. We'll have games in the evening from 6:45pm-8:00pm. That is the set time for parents to visit.

11. My child is 8 years old-close to being 9 when camp starts. Can I still register him/her?

Yes. If you feel your child would be okay away from home, that's fine (maybe a group of his/her friends are going too).

12. How are the kids divided during camp?

Players are divided based on age. We have the ability to move players around so they have a fun and enjoyable camp with their friends.

13. Is there a trainer on site?

Yes. We'll have a trainer on site the entire time. The trainer will be available 24/7 and will be stationed at the infirmary.

14. My child has a food allergy. Can the camp's food service accommodate?

Yes. We have a section on the registration form that will allow you to list any food allergies. We can let Krislund know as well as the trainer.

15. What's the registration process?

All registrations are online. Payment can be made by check or securely with a credit card. \$100 is required as a deposit to secure your spot on camp. Credit card payments require full payment. Payment by check requires \$100 deposit to be mailed to the PO Box (the registration page will guide you).

16. How about communications? What's the timeline?

June 25th - Registration Closes

June 26th - E-Mail sent to campers with detailed check-in instructions (forms/payments etc) & housing confirmation.

July 3rd - Final welcome e-mail sent with final camp schedule.

July 5th - Camp Starts

July 8th (Sunday) Campers can be picked up 10:30am

17. What's the refund policy?

\$100 **non-refundable** deposit required to secure a space at camp.

If camp fee is paid in full:

100% of fees (less \$100 non-refundable deposit) will be returned if cancellation occurs prior to July 5th.

Cancellations should be made via e-mail to the office.

Failure to e-mail the office prior to July 5th will result in no refund.

18. What's the next step?
