There are openings for boys and girls to start training with the BUSC Youth Academy. The Academy focuses on player development over winning games. Players come out of the Academy with a confidence which applies directly to their competitive experience. BUSC Youth Academy is designed to encourage and provide technical development for each player, while presenting an opportunity to learn and respect the game. There are no tryouts for these age groups. BUSC Youth Academy has multiple teams in each groups. BUSC Youth Academy teams participate in appropriate outdoor and indoor leagues and tournaments throughout the fall and spring.
