Information Bulletin

Bulletin #: IFC2020 – 007
Date: Mar. 25, 2020
To: IFC Membership, Staff
CC: IFC Directors
From: Frank Iaizzo, Athletic Director
Subject: An important update to share with our members

Good Day Everyone,

In just days, we've seen the social and economic effects of COVID-19 — but we've also seen the best of each other.

We've seen it from the benevolent donations of celebrities to the volunteer first responders. And we've seen it from the grocery store clerks to the good neighbors attending to a lonely elder. Thank you to everyone for doing your part to get us through this pressing time!

Yesterday, Ontario Soccer announced with greater certainty that **all sanctioned events and activities for the month of April have been suspended**. And, until further notice, **outdoor season registration and other activities that can be completed online will continue**.

In response to this most recent announcement, I'd like you to know what steps we will be taking, in addition to our current course of action communicated in our [March 23 bulletin](#).

- 1. At this time our Grassroots Indoor Season will resume training and festivals on May 7th. More details to follow from our Grassroots response team.**
- 2. IFC Academy will enact a payment moratorium for members on a monthly instalment plan in the month of April.**
- 3. IFC Academy programming will run through summer (July 27 – August 7) and winter (December 7 – December 23) breaks.**
- 4. All 2020 Outdoor Grassroots and Camps registrations will require \$0 down, with automatic payment scheduled two weeks prior to the season and/or camp start date.**

As we work with our various memberships and the community at large to address these unprecedented times, our sincere hope is that we're able to make the short term better, while we plan together for the long term well-being of our student-athletes and a robust return to sport.

We're committed and going to continue to play our part during this time of need.

Please continue to stay healthy and make the best of your time spent with family, Forza IFC!

Sincerely,
Frank Iazzo, Athletic Director
