

Welcome to the Florida Elite Family!

WE ARE FLORIDA ELITE

Release Date: 4/24/2017

Announcement:

Florida Elite Soccer Academy and Port Orange Soccer Club are excited to announce a Partnership for the Fall 2017 season and full merger starting in 2018. Both clubs share the same passion and philosophy for developing youth players and creating opportunities which allow them to reach their highest potential and goals. Sharing resources and development opportunities in the Fall of 2017 will allow for a seamless transition into the 2018 season. This will also allow players in both clubs to take full advantage of the Programs established at each location.

“We are very excited to announce our partnership with Port Orange soccer club. We see the massive potential for youth soccer in the region of Florida. It's a natural step to bring two clubs together whose main focus is providing the best opportunities for kids at all levels of play.

Exciting times lay ahead”-Sean Bubb Executive Director FESA

“Our Partnership with Florida Elite Soccer Academy is in the best long-term interests of both current and future players. This will provide the best training and most effective structure to encourage and fully develop the soccer skills of young people in our area. It will more effectively allow interested youth the opportunity to play at any level of competitiveness desired, including NPL, and ECNL, as well as the highest level in high school, colleges, and even professional leagues”

-Marc Greenberg President POSC
