

## 2017 Spring Travel Team Registration / Try-Outs

Registration is now open for Spring Travel Team / Tryouts. Please see the tryout schedule below.

*If a player is currently on a Fall, House League Team only, and wishes to play on a Spring Travel Team, they will need to try-out at this time.*

*Current year-round players do not need to try out.*

**Registration** : All players must register and pay via credit card before they can tryout. Please click [here](#) to register through GotSoccer.

**New Players to Travel Team Soccer** : Players who are new to Travel Team soccer must upload their **birth certificate** and a passport size ( head-shot ) **photo** during the registration process in GotSoccer. Please click [here](#) for instructions on uploading a birth certificate and photo in GotSoccer.

**Scheduling Conflict / Injury** : If a player is injured, or has a scheduling conflict on the tryout date(s), they still need to register and pay the tryout fee. There is a place within the registration process to indicate injury/conflict; please make sure this field is completed.

There are **no** tryout make-up dates. If a player is unable to attend a tryout, BYSA will use coach assessments from prior play for placement on a team.

**Tryout Fee** : There is a \$40 fee to tryout and be considered for a team. If a player is placed on a team and they accept a spot on the team roster, the \$40 tryout fee will be deducted from the registration fee. The tryout fee is refunded if a player is **not** placed on a team.

**Tryout Schedule** : If there are two tryout dates for a specific group, players are strongly encouraged to attend both dates so that coaches can get the most accurate assessment of every player. If a player's group has more than one tryout date, but the player can only attend one of the tryout dates, there is no need to communicate this to BYSA.
