- 2013 Fall Recreational Registration is now open
- Spring Position Training
- Summer Camp Registration is now open
- CYSA Scholarship Program

2013 FALL RECREATIONAL REGISTRATION

Cumberland Youth Soccer Association is excited to announce that registration for our 2013 fall recreational season is now open! The season will begin on Saturday, August 24, and run through mid-October. Our programs range from our Rugrats program up through our U16 Boys & Girls teams. The website has birth date ranges so you can easily select the appropriate age group. We also need Coaches and Assistant Coaches for all ages. We expect to have 75+ teams and approximately 1000 players this season! The league requires a lot of volunteers to support this size of a player population, so please consider volunteering. No experience is required; just a willingness to learn and have some fun! In fact, we do provide free training for Coaches who wish to learn more, and can recommend a number of additional resources.

Please visit our website at www.cysa-ri.org to register for the upcoming season.

2013 SPRING POSITIONAL TRAINING

Lead by Maril Pererria, training is for field players that wish to increase their understanding of positional play. The trainer will be working with the players to help them advance their skills in many of the different facets of the game, including striker play, defending, and midfield movement.

Please visit our website at www.cysa-ri.org for information, and to register.

2013 SUMMER CAMPS

Need something to fill some time this summer? Why not register your player for a soccer camp!

This year, CYSA is offering 3 different soccer camps. Register for the one of your choice or for all three!! Each camp offers a little something different for your player.

Details and registration information can be found in [Player Development - Summer Camps](#).

CYSA SCHOLARSHIP PROGRAM

CYSA is proud to offer two - \$750.00 scholarships to graduating seniors who want to pursue college or higher education.

To be eligible for a scholarship, students must have experience as a player, referee and/or volunteer with CYSA.

For more details, visit our [Scholarships page](#).

Please inform all eligible students.
