**I. PROPOSED AMENDMENT**

Article 254

An individual or organization may be a Sustaining Member of USYSA for one year on completing a Sustaining Member application form, paying a yearly membership fee to USYSA, and complying with requirements established by the Board of Directors.

**II. HOW THE CONSTITUTION WOULD BE CHANGED**

An individual or organization may be a Sustaining Member of USYSA for ~~one year~~ two years on completing a Sustaining Member application form, paying a yearly membership fee to USYSA, and complying with requirements established by the Board of Directors.

**III. RATIONALE**

Requiring a Sustaining Member to apply every year imposes unnecessary paperwork on them as they have to try to remember to fill out the application every year. Changing the constitution to make the membership two years instead of one will help make it easier for Sustaining Members.
