Direct Register Process

Follow this guide on how to direct register players.

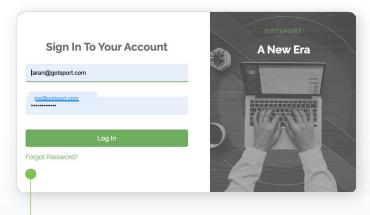

STEP ONE

Login to GotSport

Go to **system.gotsport.com** and enter your e-mail and password if you know your login.

Note: If you do not get a reset email, please check your spam/junk folder. Also, in rare cases it could take up to 30 minutes to receive the reset email.

First Time? If this is your first-time logging into GotSport, please reach out to your club to find out which administrator can add your account into the system and/or confirm your UserID/Email. Once you have your UserID/Email click on "Forgot Password".

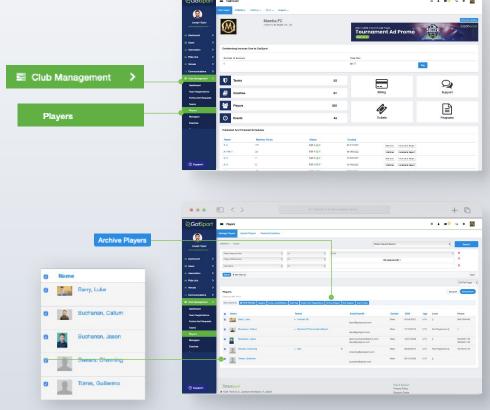

Note: If you do not know your login, click Forgot Password, type in your e-mail address and you will receive an e-mail to reset your password if you have an account.

STEP TWO

Archive Players

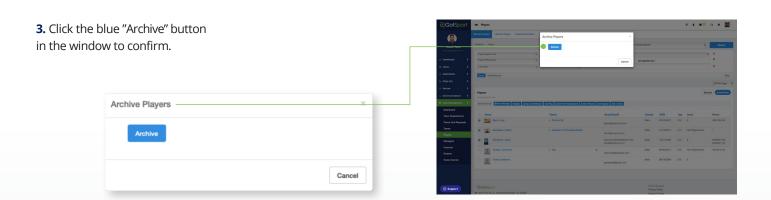

- From the club/organization dashboard, click on Club Management > Players
- 2. Here you can filter by Player Competitive Level and select Recreational from the competitive level dropdown.

Select any/all players that you're looking to archive by clicking the check box next to their names and then click "Archive Players". (continued on next page)

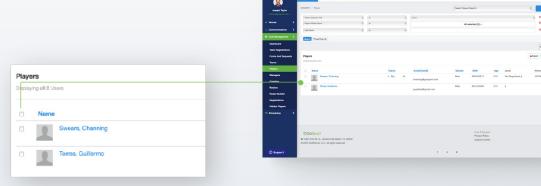

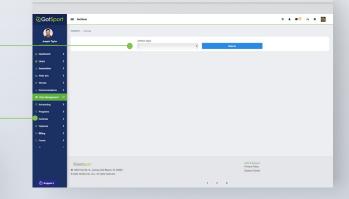

Archive Players

4. The selected players will not appear on the club's player list.

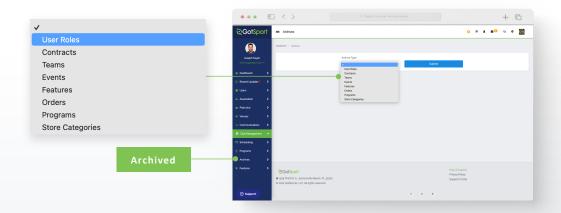

5. Though they are archived, players can still be referenced by clicking on the "Archives" module on the left side of the page. (continued on next page)

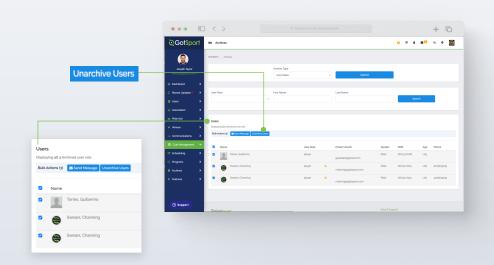

Archive Players

6. Select "User Roles" from the Archive Type dropdown list.

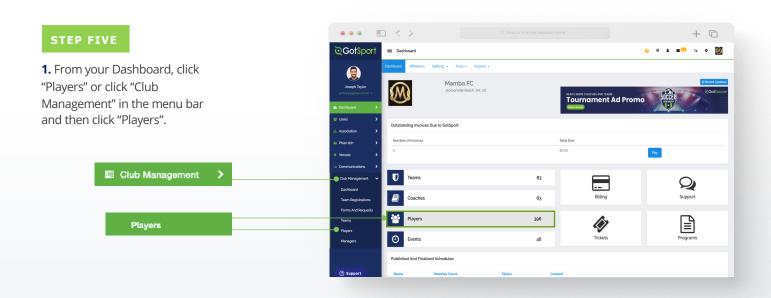

7. Here you will see a list of all archived users and when selecting the check boxes next to their names, you'll have the option to unarchive by clicking on the "Unarchive" button.

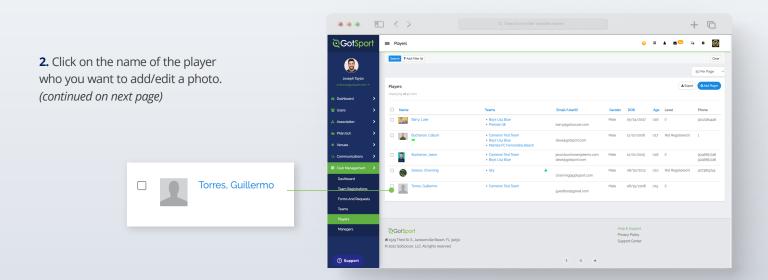

Note: that when you archive players, as they complete your registration for the following season, they will automatically move from archived to your player list where they will appear.

Add/Edit a Player Photo (Optional)

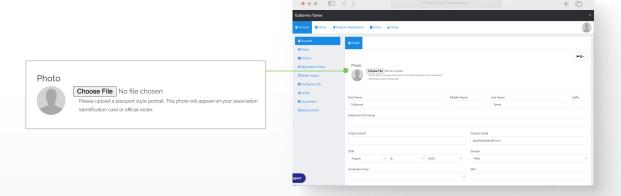

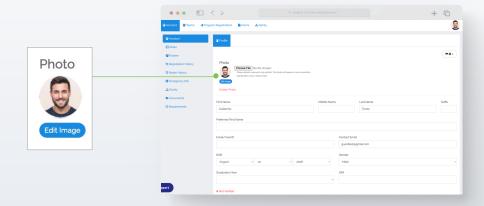

Add/Edit a Player Photo (Optional)

3. Click "Choose File" if you would like to add a photo or replace your current photo with a new one.

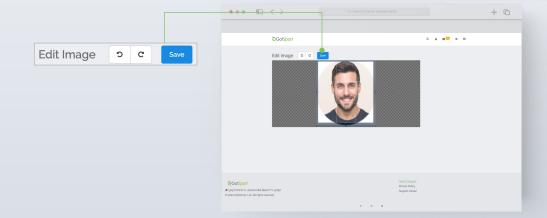

4. Once uploaded, click the "Edit Image" button to crop or rotate this image or make it look as clear as possible.

Note: if the Edit Image button is not available for a specific player's photo, it is likely due to that player's photo already being verified by your state association. If you do not see the Edit button available, you should reach out to your club's governing body directly.

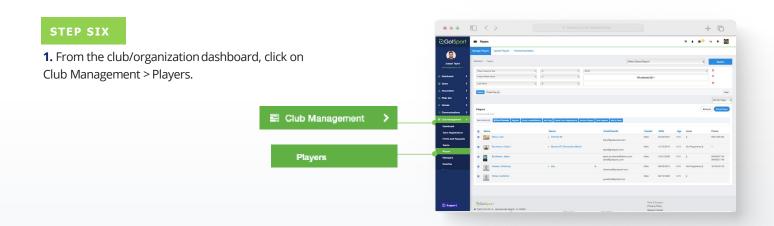

5. Once you have cropped your photo, click "Save".

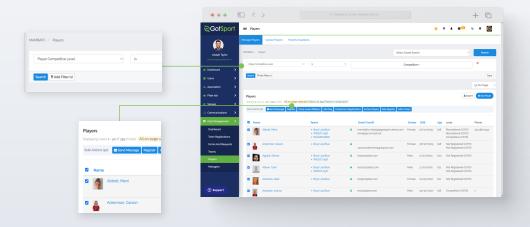

Submit Direct Registration for Players

2. Use the filter to find the players in which you want to register. Select the checkboxes next to the players you want to submit, then click the "Register" button.

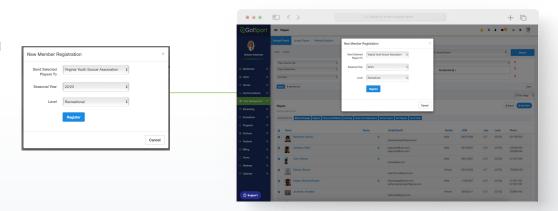

Note: You can select the box at the very top to Select All. Once you select all, you have the option to select all of the Users in the selection. If you only select the top checkbox, it will only pull the number of Users in the list on the current page noted by the number in parentheses next to Bulk Actions. *(continued on next page)*

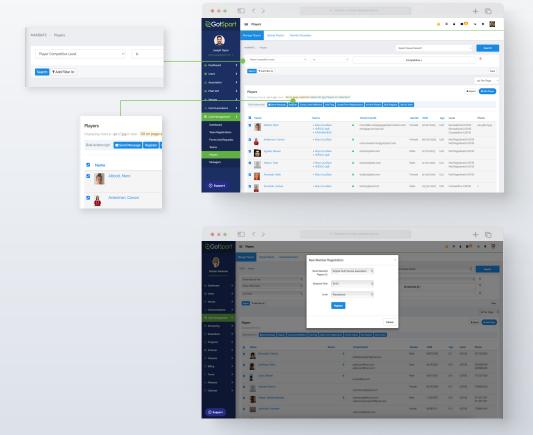

Submit Direct Registration for Players

3. Once you click "Register," a new box will open – select the correct seasonal year and the appropriate Competitive Level based off of who you searched for. Once complete you will click "Register" and your Member Registrations will be sent in for processing.

4. You will follow this same process for your remaining applicable Competitive Levels. You can go back through your Competitive Levels, search by the applicable level, and register those players based off of their appropriate Competitive Level.

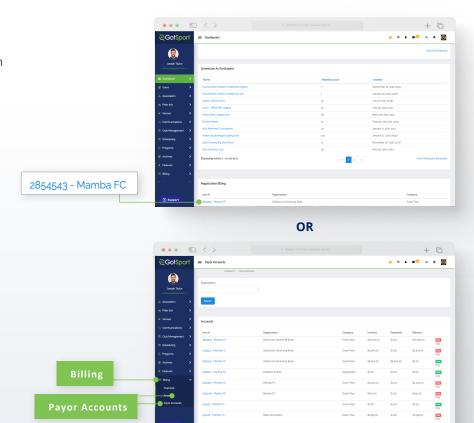

Pay Bill for Registered Players

STEP 7

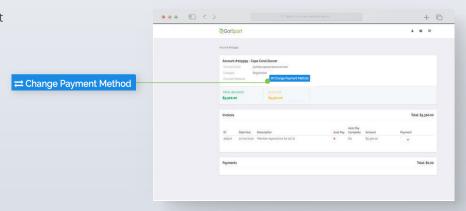

1a. From the Dashboard, scroll to the bottom and click on the Acct # and name under Registration Billing (this is the fastest).

OR

1b. From the Dashboard under Billing, select Payor Accounts. Here you will click on the Acct # and Name.

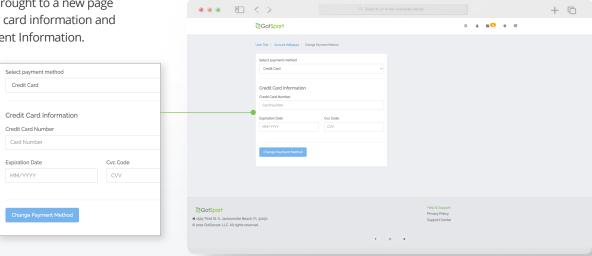

2. Once here, you will select Change Payment Method close to the top of the page. *(continued on next page)*

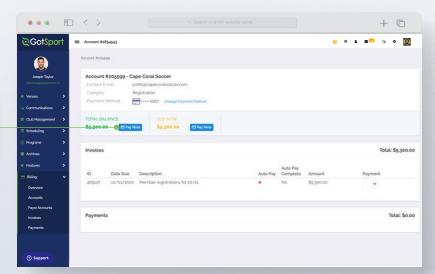

Pay Bill for Registered Players

3. Here you will be brought to a new page where you will enter card information and select Change Payment Information.

4. Once that is done you will be brought back to your billing page, and you will now see the card on file as well as Pay Now buttons.

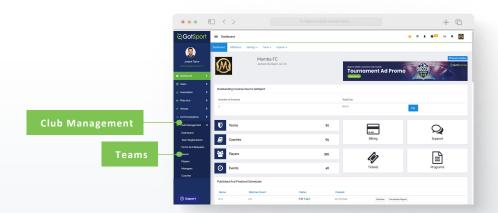

Creating Teams (Optional)

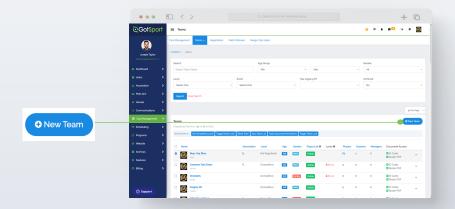

STEP 1

From your **Dashboard**, select "Club Management", followed by **"Teams."**

STEP 2A

From here click "**New Team**" button on the right. A new screen will appear. (continued on next page)

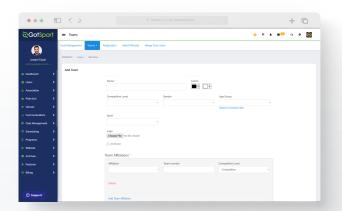

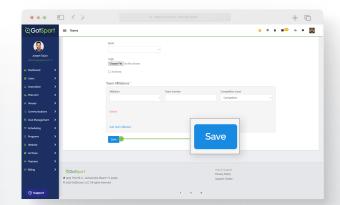

Creating Teams (Optional)

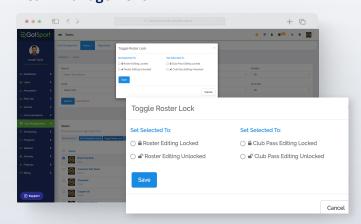

STEP 2B

Here you will fill out the basic information and select "Save". Your Team Account is now created.

Team Management

1. Roster Lock

Restricts Coaches and Managers from adding/removing players on the team roster.

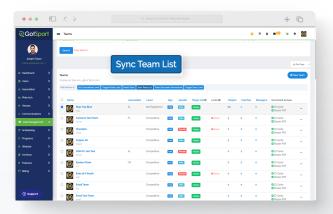

Find the team in your **teams list**, enable the checkbox to the left of the team. Then select "**Toggle Roster Lock**".

You will then see the ability to restrict roster editing and the adding/removal of club pass players.

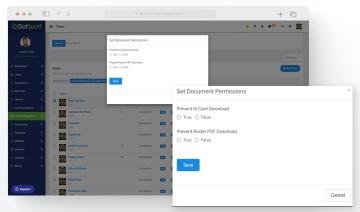

Creating Teams (Optional)

Team Account Functionalities

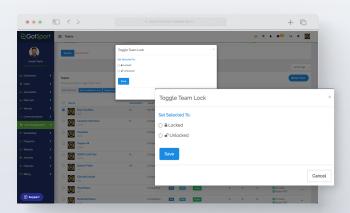

3. Sync Team Player List

When you sync your rosters, any players that are on any current and future event rosters for the team will be added to the team's player list.

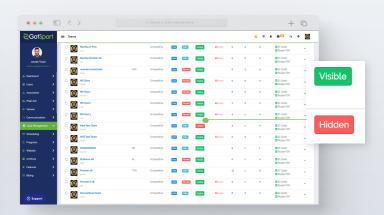

4. Team Document Permissions

This will enable/disable the ability for coaches and managers to download Rosters or ID Cards for the team.

5. Team Lock

Locking the team account will disable the ability for coaches and managers of the team to edit the Team Name, Age, Team Gender, and the Team Competitive Level.

6. Hiding Team Player List

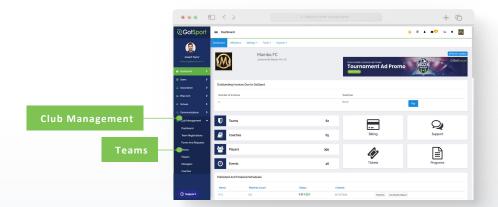

This will hide the team player list from all team members (coaches, managers and players). You can toggle between Hidden and Visible for each team by clicking the icon. This is typically used when club admins are building rosters and don't want coaches/managers to see their roster yet.

Registering Teams to an Official Rostering Event

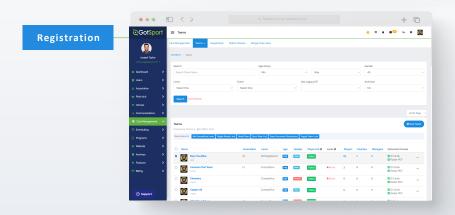

STEP 1

From the **Dashboard** go to the **Club Management** tab and select **Teams**.

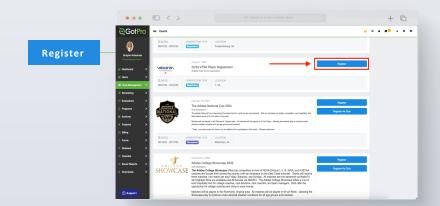

STEP 2

Here you will click on Registration.

STEP 3

From this page, you will see a list of open events your organization and your parent organization are associated with. Once you have found your event, Click "Register".

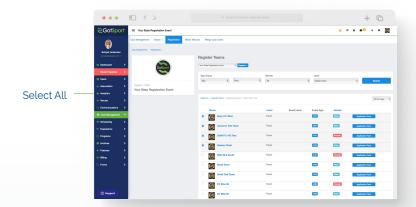

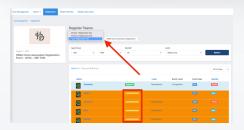

Registering Teams to an Official Rostering Event

On this page, you can select multiple teams, by marking the box to the left of the teams or "Select All" (All teams will be selected when you "Select All"). If you see "Level Not Allowed" for a team you are trying to register, the payment plan you selected is enabled for a specific competitive level. You will need to update that team's competitive level to that of the payment plan.

If you do not see your team listed, click on the payment plan dropdown to switch pages. Usually, events create different payment plans according the certain age groups.

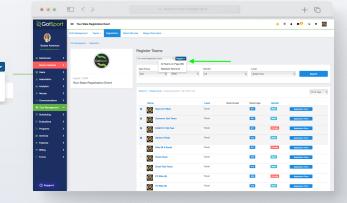

STEP 4

Now that the teams are selected, we will click on the blue "Register" button where a drop down will appear. Here you will select "All Teams" or "Selected Teams."

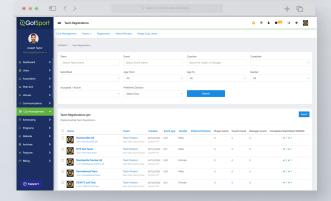

Once this is done you will be brought back to your **Team Registrations** list in your account.

Assigning Players to an Official Roster

STEP 2

Here you will Select the Event you are going to build your Roster for and hit Submit. (continued on next page)

Assigning Players to an Official Roster

STEP 3

Once on the "Roster Builder" page, you can use the hairpin to drag the player to the team that they will be rostered on, and then click Add Player. Or you can utilize the checkmarks next to the players name and click "Add to Team" for the particular team to bulk add player to the team roster.

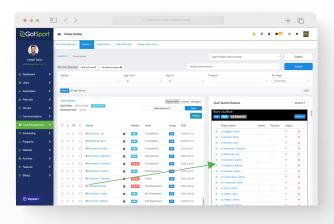

Note: All the players on the team currently have green checkmarks that signify approved by the event.

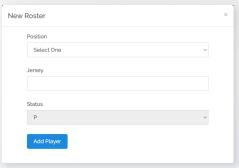

If you see Yellow Triangles next to your players on the roster, it is because they have not been approved by the event yet.

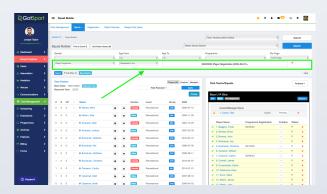

Here, you can filter by **Player Program**. Select **Add Filter**, choose **Player Program**, and then select
the program players are registered to. This provide
you a list of all players who are registered in that
particular program; these players are listed in
yellow. Whoever is not registered, will be listed in
white. Once a program has been selected, the
player's program answers will be shown next to
them <u>as long</u> as the question has **View In List**checked on.

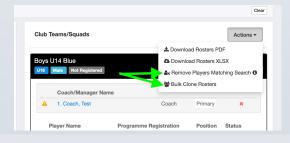

In roster builder, you can bulk clone from the **Current Team List** for all teams, then filter by the particular player program, and bulk remove all players from teams who did not register in the program.

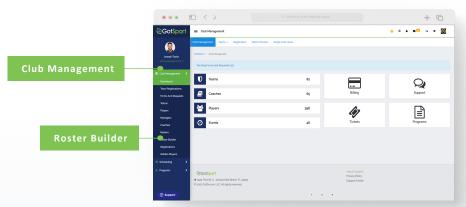

Adding a Coach or Manager to an Event Roster

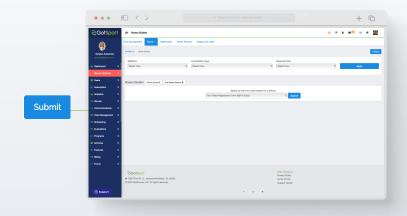

STEP 1

From the **Dashboard**, select "Club Management" followed by **"Roster Builder."**

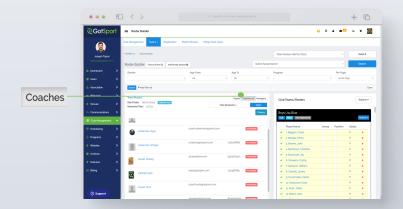

STEP 2

Here you will Select the Event you are going to build your Roster for and hit Submit.

STEP 3

Once you get to the **Roster Builder** page select the **"Coaches"** Tab. *(continued on next page)*

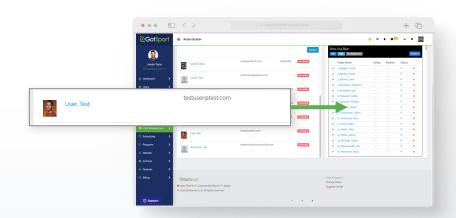

Adding a Coach or Manager to an Event Roster

STEP 4

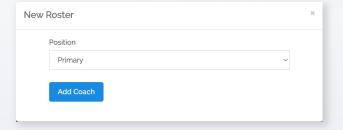

Here you will click and drag the Coach to the desired team on the right.

***Note:** There can only be ONE primary coach listed per team

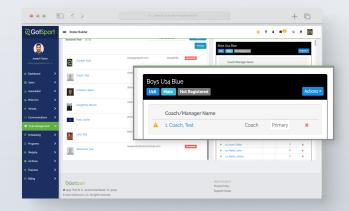

STEP 5

A pop up will appear asking for the "Position". Select the position and click "Add Coach."

The Coach will now appear on the **Team Account**.

Note: Any Coaches who have Yellow Triangles by their names are not yet approved by the event. They will change to Green Check Marks once the event has approved them.

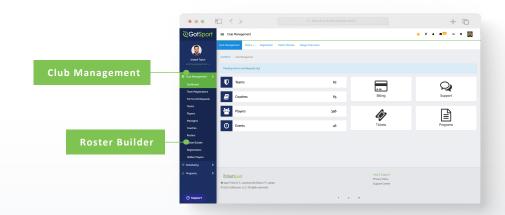

Generating Official Roster Documents

STEP 1

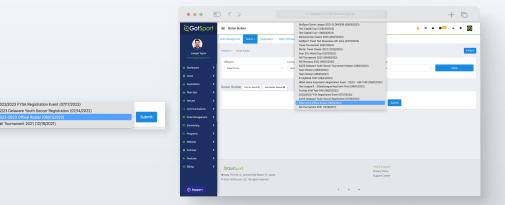

Click "Club Management" and select "Roster Builder."

STEP 2
