Subject: Government of Ontario announces State of Emergency

Dear Players and Parents/Guardians;

As of today, the Government of Ontario has issued a second Stay-At-Home Order and introduced enhanced enforcement measures to deal with organized public gatherings.

Under the declaration of a provincial emergency, **all on-field IFC soccer activities must remain suspended until at least Thursday February 11, 2021. Ontario Soccer will announce when in-person Return to Play activities can once again commence.**

IFC Soccer will continue to update membership as further changes are made, and we encourage our athletes to maintain strong self-training habits from home using our various online platforms ([IGTV](#), [YouTube](#), and Teambuildr) during this time.

If you have any questions or require more information, please email info@intlfc.com.

Sincerely,

Frank Iaizzo, Athletic Director
