Date: Feb. 22, 2021
To: IFC Membership, Staff
CC: IFC Directors
From: Antonietta Maione, Club Administrator
Subject: Government of Ontario announces York Region exiting Lockdown and enters Red-Control

Dear Players and Parents/Guardians;

We have received confirmation from The Government of Ontario, York Region Public Health and Ontario Soccer that York Region will be exiting provincial emergency orders and returning back to the regionalized public health colour-coded restrictions.

As of today, February 22, 2021, the Government of Ontario changes will come into effect and move our public health unit region into the **Red-Control of Ontario's COVID 19 response framework.**

Under the **RED-Control Zone**, IFC may resume in person training with the following public health measures taking place to control transmission (i.e. Return to Play Phase 1 measures).

- All sports and recreational programs in other facilities (arenas and multiplexes) limited to 10 people per training group indoors and 25 outdoors
- Only training permitted for team sports ([click here](#) for IFC sample training activities)
- No contact permitted for team or individual sports
- No spectators permitted on the field
- Face coverings required except when exercising
- Require screening of participating members, including spectators using [Vaughan Sportsplex 2 COVID-Declaration](#) before each training session/event
- IFC Return to Play (Indoor) Plan [available here](#). You can also review IFC Return to Play (Phase 1-Indoor) Presentation to [refresh your memory](#).
