First Time? If this is your first-time logging into GotSport, please reach out to your club to find out which administrator can add your account into the system and/or confirm your UserID/Email. Once you have your UserID/Email click on "Forgot Password".

The instructions table will guide you through the correct format and required data fields needed for the upload.

**Note:** When the information is complete in your template, be sure to save the file as either a .csv or .txt file so it is compatible to upload. An Excel (.xls), Numbers, or Google Sheet file will not be compatible. (continued on next page)

4. Go to the Import into Club section and fill in the information needed for the upload. You can upload all Players with an Affiliation added to their account by opening the "Select Affiliation" dropdown menu and selecting the desired Affiliation. **Note:** You can also assign the players to their teams through the upload as well by checking off the Team Upload checkbox. This step is *not* required to upload your Players. If selected, you would be required to include three additional columns in the upload file. 1) Team Name, 2) Team Age, and 3) Team Gender.

5. Click 'Choose File' to select your file and click the Open Selected File button.
