

Dear LVSA family,

To follow the direction of our State government, the LVSA office was closed today at 12 noon. In our attempt to do the right thing to prevent the spread of this virus, the office will remain closed until our State agencies tell us that is safe to reopen.

That being said, what does this mean to our members?

A common word that we use within LVSA is "Family" ...and we will get through this as a family. In order to do so, we have made some decisions that impact us all in the upcoming weeks. LVSA has determined that the following steps will be taken:

- April's dues- We will be stopping all dues from being run for the month of April. We recognize that you, our customer, needs to be looked after. The current situation that we are dealing with is a difficult one, and by halting April's dues, we hope that this can be of some help and relief.
- Our Coaches-We truly feel that we have the best coaching staff around. Our coaches are a wonderful group, dedicating themselves to the athletes. Therefore, even though dues will be stopped for April, this will not affect the staff and we will ensure they will receive their coaching fees for April regardless. Hopefully this will help our staff have piece of mind during this difficult time.
- Lastly, even though we are confined to our homes, we will continue to work as a staff. Our coaches will continue to be creative through skills trainings, fitness trainings, competitions and any other virtual tasks that will keep the kids engaged, fit and ready to go.

We could not be more proud of the LVSA family! We truly believe that we will grow and come out of this situation stronger than ever. We will keep the lines of communication open, keeping everyone up to date as information changes. We are not quite sure what the future holds. However, we will be here for our athletes and families and be prepared to get back to normal as soon as possible and in the best interest of everyone.

Stay healthy and take care.

Sincerely,

Jim & Patty Rasmussen
