NOTE: ISA Rules are subject to change at any time to conform to NTSSA rules.

2. ADMINISTRATION

2.1 TERRITORY/BOUNDARIES OF ISA

2.1.1 The boundaries of the ISA are the boundaries of the Irving Independent School District.

2.1.2 The boundaries of the Irving Soccer Association (ISA) – Any player who lives within the city of Irving or attends any school located within the IISD

2.1.3 Teams outside the ISA boundaries may participate in ISA provided that they use fields within the ISA boundaries for their home games.

2.2 JURISDICTION

2.2.1 The ISA has the authority to create leagues and to abolish any leagues that it has created. The ISA has jurisdiction over any and all leagues that it has created, including but not limited to not excluding all Irving Recreational Leagues U-4 through U-10, U-11 through U-19 (ISA) Academy Leagues, Competitive Leagues and Adult Leagues.

2.2.2 The ISA has jurisdiction over ISA sanctioned leagues, ISA teams participating in any NTSSA sanctioned league, and all members and associate members of the ISA. This includes any A&D hearings on any Playing Rule violations that occur during league play regardless where the game is being played.

2.2.3 No youth or adult league affiliated with NTSSA may be formed or operate within the ISA boundaries, which are the same as the boundaries of the Irving Independent School District, unless it has been sanctioned by, and has agreed in writing to be responsible to, the ISA. This includes both recreational and competitive leagues.

2.3 SOCCER YEAR/SEASON

2.3.1 The seasonal soccer year begins on September 1st and ends on August 31st of the following calendar year.

2.3.2 In order to complete the Fall Season and City Tournament (or other TOC related activities), the ISA may schedule games in August before August 31st; however, those games will be considered part of the Fall Season.

2.4 TEAM REGISTRATION FOR PLAY IN THE ISA

2.4.1 It is the intent of the ISA to insure that the recreational program is not abused by the formation of illegal recreational teams that may in fact be select teams.

2.4.2 Teams must be members in good standing of their home associations and NTSSA, and must have the permission of their home association in order to play in the ISA. All teams must follow the proper registration and formation procedures of NTSSA.

2.4.3 Outside teams may register through ISA. All teams must have their associations submit to the ISA, a letter stating that the team is registered and can participate in the ISA. A copy of each team's roster and/or add/delete sheet, as well as any monies due are required before a team will be scheduled to play.

2.4.4 Team fees, if any, must be received on or before the deadline date specified for each playing season, unless specific arrangements have been made and confirmed, in advance, with the ISA office.

2.4.5 Team fees, if any, are not refundable unless ISA is unable to place the player on a team.

2.4.6 Teams must furnish a copy of their roster and/or add/delete sheet, if so requested by the referee or association.

2.4.7 A coach must file an 'Intent to Return' form before the date specified for each season, or the team will be considered to be disbanded and the players will be placed accordingly. A team choosing not to play in a given season must file an 'Intent to Return' form stating its intention to sit out a season to keep the team from being disbanded.

2.5 REGISTERED PLAYER

DEFINITION – A registered player is one whose name appears on the team's NTSSA approved roster form, properly signed by the Home Association's registrar.

2.5.1 Guest Players (See NTSSA Rule 4.7 – GUEST PLAYERS)

2.5.2 All registered players on the team's roster of record must be invited to play in the friendly or tournament game.

2.5.3 In order to promote soccer in the younger age groups, a player in Under 10 and younger age groups may invite a friend to play. There is no guarantee the friend will be placed on the team with the "friend", but all efforts will be made to accommodate.

2.6 DIVISIONAL MAKE-UP

Divisions are determined by the appropriate Board Member, prior to the start of the season, these cannot be changed once the schedule has been made.

2.7 FINANCIAL HARDSHIPS AND SPECIAL CONSIDERATIONS

2.7.1 The ISA Board of Directors may grant financial assistance and make other special provisions on a case-by-case basis. The Board of Directors may delegate this responsibility to a person or committee that the Board has approved and deemed appropriate.

2.7.2 Applications for financial assistance will be reviewed by the Board's delegate(s), who will make a recommendation to the Registrar.

2.7.3 Applications must be made in writing by the player's parent, guardian, or coach of record with proper documentation.

2.7.4 The ISA shall handle the application with absolute confidentiality and compassion.

2.7.5 The NTSSA State Youth Commissioner and the ISA Board of Directors must approve provisions for handicapped players to play in younger age groups.

2.7.6 Financial Applicants will be required to work a minimum of (3) volunteer hours at the soccer complex or soccer office for each player receiving financial aid.

2.8 ISA RULE CHANGES

Any change in these rules (ISA League Rules), duly voted on and passed by the ISA Board of Directors, shall not become effective until the start of the playing season immediately following the rule change.

3. RULES AND REGULATIONS

3.1 REGISTERED PLAYERS

3.1.1 Only registered players may play under the auspices of the ISA. A coach, assistant coach, or administrator found to knowingly use an unregistered player(s) may be suspended from all soccer activities for a minimum of one (1) year, and the team automatically forfeits all games in which the unregistered player(s) participated.

3.1.2 Any recreational coach who knowingly and/or willingly drops a player from their roster, or advises that player not to play for their team, whether through direct contact or coercion could be suspended from coaching. Coercion would include, but not be limited to, encouraging the player to ask for reassignment or the coach making comments regarding the advanced skill level of his/her team in an effort to discourage the player from remaining on the team. This rule would apply to any player having already played for this team or a new player being added.

3.1.3 A Coach may refuse a player assigned to his/her team only if the team is at or above the maximum roster size for the age group in which the team is playing. A coach may not refuse or avoid accepting a player based on the player's ability or playing experience. The ISA does not tolerate forming a recreational team by the selection of only experienced or skilled players.

A coach who fails to contact an assigned player on his/her team may be suspended from all soccer activities for up to one year.

3.2 SUSPENSIONS

3.2.1 The ISA may honor any and all suspensions of players, coaches, spectators, or referees issued by any affiliate of NTSSA. A team using such individual(s) under suspension will automatically forfeit all games in which the individual(s) participated.

3.2.2 Coaches/Assistant Coach/Manager suspensions - When a coach has been suspended, they are to obtain and have the referee sign a sit out form. The coach is not to have any contact with his/her team during the time of play. The sit out form should be signed by the referee during team check in and then turned into the board member on duty. The coach may then leave the complex. If the coach remains at the complex during the game however they are to sit at the pavilion or in their car, they cannot be on the fields during the game. Should the Coach/Assistant Coach/Manager not comply and complete the full sit out they are at risk of having further sit outs. The suspended party is responsible for printing and bringing the correct sit out form to the game to be signed by the referee. The correct form can be found on the Irving Soccer website under the documents section.

3.2.3 Player suspensions - When a player is suspended, they are to obtain and have the referee sign a sit out form. The player is to show up to the game and sit out the entire game on the player's side. They are not to play or participate in any warm up with the team. They are to solely sit out the entire game. Should they leave or sit out on the parents side, the sit out will not be valid. The form is not to be signed until the game is over. Should the player not comply and complete the full sit out they are at risk of having further sit outs. The player is responsible for printing and bringing the correct sit out form to the game. The correct form can be found on the Irving Soccer website under the documents section.

3.3 REFEREES

3.3.1 Referees shall be registered/licensed by the USSF, and assigned by an approved and registered assignor.

3.3.2 In order to free registered referees for higher level games, the ISA may require adults of Under 6, Under 8, or Under 10 teams to officiate one-half of their own games (see ISA Board Member on Duty).

3.4 ADULT BACKGROUND CHECKS

Anyone over the age of seventeen (17) who is a coach, assistant coach, manager, trainer, referee, volunteer, board member, staff, or employee, as well as anyone else who may be alone with a registered youth player is required to have a completed and current NTSSA Application and Consent for Criminal Background Check on file.

3.5 YOUTH RELEASES

3.5.1 No coach, assistant coach, trainer, or team representative may practice with any NTSSA registered player who does not appear on his/her current NTSSA roster, or who is not considered to be a free agent by current NTSSA rules.

EXCEPTION: A coach who at the request of another team's coach, substitutes for that coach at practice or games, for the convenience of the requesting coach.

3.5.2 Failure to comply with the above rule may result in the offending coach, assistant coach, trainer, or team representative being suspended from soccer activities for a period of not less than one (1) year.

3.5.3 Any recreational player currently registered to a recreational team and wishing to be released to join a competitive team may do so only between December 1st and March 15th, and may do so only with the written permission of the ISA or registered home association.

3.5.4 NTSSA Player Release forms are on the ISA Web Site or may be picked up at the ISA Office by players, parents, and coaches.

3.6 RECRUITMENT

3.6.1 No coach, assistant coach, trainer, team representative, registered player, parent, or advertisement may offer any kind of inducement to recruit a player to play on his respective team. Coaches are responsible for the actions of all of the above listed participants on their team.

3.6.2 Failure to comply with this rule may result in the offending party being suspended from all soccer activities for a period of not less than one (1) year. (For exceptions, see NTSSA Rule 3.10.8)

3.7 DISCIPLINE

(See NTSSA Rule 3.11 - DISCIPLINE)

3.7.1 Misconduct of Spectators

It is the official policy of the ISA that the game officials (referees and/or assistant referees), field marshals, and/or any other person designated by the ISA Board of Directors to monitor field activity will not tolerate spectator misconduct in any form, be it vocal or physical, toward any player, coach, game official, field marshal, or ISA Board designate.

3.7.2 Misconduct towards ISA Officials or Employees

3.7.2.1 If the ISA receives a report of alleged assault/abuse towards any ISA official or employee by any person; including players, coaches, assistant coaches, managers, trainers, or spectators, the incident will be immediately scheduled for a hearing by the ISA A&D Committee.

3.7.2.2 If the ISA A&D Committee determines that there was sufficient evidence to consider the incident was assault/abuse, a copy of the report will be sent to NTSSA. Note: Assault/abuse shall be the same as in NTSSA Rule 3.11.7 – Misconduct Toward Referee, plus damaging any personal property of the official/employee.

3.7.2.3 Any person found guilty of physical violence or personal attack towards an ISA official or employee may be suspended from all soccer activities for a minimum of one (1) year. Note: Stiffer penalties may be imposed by the ISA or NTSSA.

3.7.3 Ejections, Dismissals, and Game Sit Outs

3.7.3.1 When ejected from a game, players must immediately leave the soccer complex or go to the picnic pavilion with a parent or responsible adult. Players who receive an ejection may be required to appear before the A&D Committee, which may assess additional penalties. Coaches and spectators who are ejected or dismissed from a game must immediately leave the soccer complex for the remainder of the day.

3.7.3.2 The minimum punishment for VIOLENT CONDUCT is a two (2) game suspension.

3.7.3.5 A coach, manager, or spectator who is serving a sit out may be at the soccer complex at which the game being missed is being played, including immediately prior to or following the game they are sitting out. "The complex" includes outside the fence line of the soccer fields. The player must sit on the side line and obtain a signature on the sit out form from the referee for confirmation. Exception: A coach who is serving a sit out for one team may be at the complex to coach a different team for which he/she is coach of record, but may have NO contact with the team for which the sit out is being served. The use of electronic devices (cell phones, walkie-talkies, etc.) to communicate coaching information during the game would be considered a violation of the sit out and result in additional sit out time being assessed.

3.7.3.6 Any coach, manager, spectator who owes a sit out but does not sit out the NEXT game scheduled for his/her team will automatically receive an additional game sit out. They may also be required to attend a hearing of the A&D Committee, at which time additional sanctions could be assessed including, but not limited to, more missed games and/or games they attended being declared forfeits.

3.7.3.7 Players who participate in a game that they were to be serving a sit out will automatically receive an additional game sit out. They may also be required to attend a hearing of the A&D Committee at which time additional sanctions could be assessed including, but not limited to, more missed games and/or games in which they participated being declared forfeits. To receive credit for their sit out, the Sit Out verification form must be filled out completely and signed by the referee. A form without all of the appropriate signatures will not be considered valid. The player does NOT need to be present.

3.7.3.8 For a player that is due to sit out a game and the opposing team does not show (forfeits) and the game is not played due to the forfeit of the opposing team – that player is considered to have fulfilled his/her obligation for that game.

3.7.4 Misconduct and Punishment of Teams

If a game is not completed because of misconduct clearly traceable to one of the contending teams, its management, or its spectators as determined by the ISA Appeals & Discipline Committee, the A&D Committee shall decide the disposition of the game.

3.9.8 A team that knowingly plays an unregistered, ineligible, or suspended player shall forfeit all of the games in which the player participated. 6.3 CODE OF ETHICS/CONDUCT FOR PARENTS (SEE NTSSA RULE 11.2 – NTSSA PARENT’S CODE OF CONDUCT)

It is the official policy of the Irving Soccer Association Board of Directors that the game officials (referees and assistant referees), field marshals, and/or any other person designated by the ISA Board to monitor field activity will not tolerate parental/spectator misconduct in any form, be it vocal or physical, toward any player, coach, game official, field marshal or ISA Board designate.

Should a spectator entering the playing field during league play with the perceived intent of engaging in fighting or retaliation against another player or spectator will be suspended, along with all spectators from that team for a minimum of 2 games.

It will be the responsibility of the coach to control the conduct and behavior of the parents/spectators associated with his/her team before, during, and after the soccer game.

It will be the responsibility of the assistant coach and the team manager, as listed on the official NTSSA team roster, to assist the coach in controlling these situations.

Should the referee deem the conduct of a parent/spectator to be inappropriate, the referee will issue one verbal warning to the coach of the offending sideline. If the behavior is not immediately corrected, the coach will be called onto the field, issued a caution for dissent, and told specific points for the immediate correction of the sideline demeanor.

Should the field marshal or an ISA Board designate deem the conduct of a parent/spectator to be inappropriate, he/she will verbally warn the coach and the parent/spectator of the offending sideline and at an appropriate stoppage in the game (i.e., quarter or halftime), consult with the game officials concerning the spectator conduct.

Should the misconduct continue or be apparent, the referee will require that the parent/spectator leave the sideline and report to the parking lot. After the game, the referee will report to the Board Member On Duty to file an ISA Spectator Incident Report. Should the parent/spectator fail to leave within two minutes after being required to leave, the referee will immediately abandon the game and report directly to the Board Member On Duty to file an ISA Spectator Incident Report and complete a NTSSA Outdoor Referee’s Misconduct Report with the notation: “Game abandoned due to spectator misconduct”.

The coach, assistant coach, or team manager will identify the parent/spectator when asked to do so by the referee, field marshal, or the ISA Board designate. Failure to do so will require that the whole team appear before the A&D Committee.

Punitive measure may require that:

- No parents/spectators will be allowed on the sidelines during the team’s next scheduled game, except for the coach, assistant coach, and team manager as listed on the team roster on file with the ISA registrar.
- If the team elects to forfeit the next scheduled game, all Referee Fees must be paid in full (if this is recreational, all Referee Fees must be returned to the ISA Office the Monday after the incident) and a \$50.00 fine will need to be paid by the offending team before that team will be allowed to play any additional league games or be accepted into any ISA sponsored tournaments.

Should a second ISA Spectator Incident Report be filed against the same team at any time during the soccer year, the coach,

assistant coach, and team manager will be required to attend a hearing before the A&D Committee.

Punitive measures may require that:

- The coach, assistant coach, and team manager will each serve as a field marshal on a date assigned to each of them from the Director of Coaches.
- If either the coach, assistant coach, or team manager elect not to serve as a field marshal, their failure to complete the required service will result in further punitive measures.

The A&D Director will be responsible for reviewing these violations further repercussions
